The 1950 ECHO

FOREWORD

It has been the aim of the Echo Staff of 1950, to portray as nearly as possible the true school spirit and activities of the past year. We sincerely hope that we have completed our purpose, and that in the distant years you may look through this edition of 'The Echo of '50', and recall all the happy hours spent in Pilot Point High School, the last minute studying for those seemingly never ending tests, the square dances, and the many other activities that go with the making of a school year in Pilot Point High.

If we have accomplished these things, our labors will not have been in vain.

SUPERINTENDENT'S MESSAGE

Dear Students,

You are to be commended for the work accomplished this year and for your spirit of co-operation. Through the combined efforts of faculty and students many worthwhile enterprises---ones to make school more enjoyable for you--have been completed. My congratulations for your your efforts!

Your present classes are almost over. As you reminisce during your vacation and the years to come, may these days create pleasant memories of 'back when I was in school.'

To you, soon to be exes, my sincerest wishes for a successful, happy future; to you, students of tomorrow, my truest wishes for greater, happier association and the best school year ever.

Sincerely,

H. W. Keey
